The

BULLETIN

THE TALK OF THE CAMPUS

In this year of the retirement of Dr. Norman J. Brumbaugh, professor of chemistry, the editors of the Alumni Bulletin are proud to present in this issue a fleeting review of the department of chemistry—past and present.

A Challenge is Met

It has been said that Dr. Norman J. Brumbaugh "delighted in meeting a challenge." There can be no question that the establishment and the building-up of a chemistry department at Juniata has been indeed a challenge.

Dr. "N. J." has met that challenge—and with a success that no one can take from him.

Today, Dr. Brumbaugh stands on his record as he retires (officially in June) as professor of chemistry and head of the department which he developed from a nonentity in 1925 to one of distinction in the fast-moving scientific world of 1949.

Specific evidence of the enviable position of the chemistry department of Juniata College was found recently in the five-volume report of President Truman's Scientific Research Board. In the fourth volume, "Manpower for Research," the importance of small institutions was discussed. To quote the report:

"Many of the small institutions have, in the past, contributed scientists out of all proportion to the numbers of their students. Over the period, 1936 to 1945, Hope College, Juniata College, Monmouth College, St. Olaf's College, and Oberlin College combined produced more can-

Farewell for awhile! The retiring Dr. Norman J. Brumbaugh stepped out of Science Hall in late January for a well-deserved rest in Florida. Two of his students, Marian M. Johnson '49 (January) of Hatboro, and Luke M. Shuler '49 (candidate in June) of Huntingdon, enjoyed a parting chat.

didates for doctor's degrees in chemistry than did Johns Hopkins University, Fordham University, Columbia University, Tulane University and Syracuse University all together."

As one alumnus has pointed out: work of the quality which draws such recognition to the science curricula and particularly chemistry at Juniata certainly justifies all the money and effort which has been spent and is being spent in behalf of the sciences at Juniata.

Hence, it is quite apparent that in the 24 years that Dr. Brumbaugh has been its head, the chemistry department has soared to national prominence.

In the state of Pennsylvania, for example, Juniata was one of only 16 colleges and universities on an American Chemical Society listing of institutions approved by the Committee on Professional Training for undergraduate instruction in chemistry last year. There are some 70 colleges in the State.

Although Dr. "N. J." is stepping down as the active head of the chemistry department, his students, scattered in science, medicine and industry throughout the world, will carry on his excellent work.

Alumni to Fete "N. J."

GRADUATES of Juniata College with majors in chemistry will join forces on the campus on June 4 to honor Dr. Norman J. Brumbaugh in one of the highlights of the alumni weekend. An appropriate banquet is being planned.

An alumni committee, headed by Frank W. Reinhart '30 of Silver Spring, Md., is working out the arrangements for the testimonial.

Dr. Thomas D. Cope, professor of physics at the University of Pennsylvania and a former president of the Pennsylvania Academy of Science, has accepted an invitation to be guest speaker. Dr. Cope is widely known for his teaching and research work.

Testimonial Dinner

"WE honor ourselves by honoring you" commented President Calvert N. Ellis at the testimonial dinner given in honor of Dr. Norman J. Brumbaugh by the Board of Trustees at the Huntingdon Country Club in December.

But Dr. "N. J." brushed aside all praise as he modestly said that all measure of his success was due to a predestined conception that his environment and heredity determined it.

A long-time friend, Dr. E. C. Wagner, senior professor of organic chemistry at the University of Pennsylvania, gave the principal address at the testimonial. In his talk, "As I Know Him," Dr. Wagner undertook to relate the varied interests of Dr. Brumbaugh; he recalled his fondness for music, the collection of orchids, his study of foreign languages, his interest in photography and travel.

"All this shows promise that Dr. Brumbaugh will be able to entertain himself after retirement," Dr. Wagner maintained.

Prof. S. Earl Dubbel, assistant professor of English at the college and a

One of two students studying at Juniata College because of the aid of the Brethren Service Commission and the Foreign Student Aid Fund is Peter Mayer, a chemistry major. Peter is at work in the laboratory analyzing a gas by using a modified Orsat gas apparatus. The 20-year-old quiet, bashful lad is from Vienna, Austria, where he hopes to return someday "to teach chemistry." Mayer and Ekkehard Eickhoff of Germany, were selected from among innumerable applicants by the Commission to study in Church of the Brethren schools in America for two years. Students at Juniata are helping to pay living expenses for them from the profits of "Americanza" and "Sweethearts"—student musical shows presented on campus last year and this year.

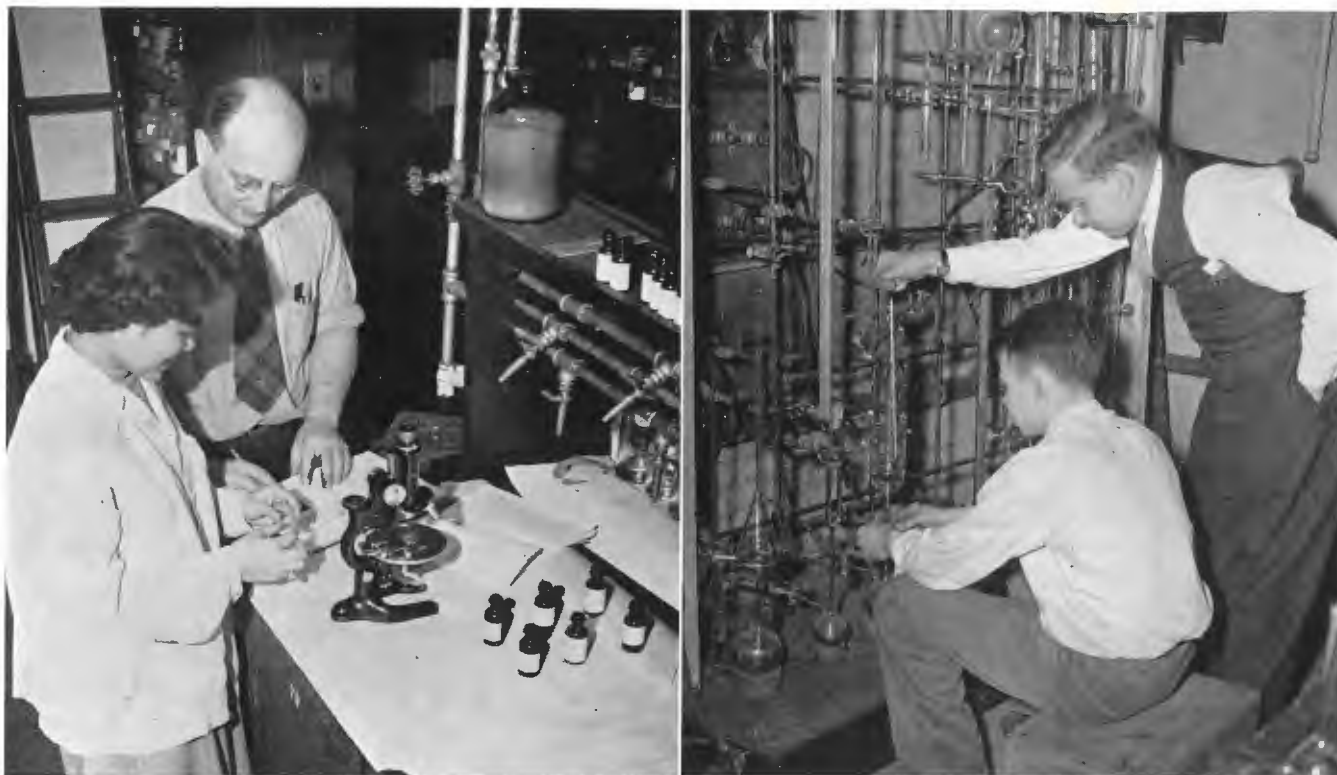

Any chemistry graduate will admit that many of his undergraduate hours were spent in the laboratory. LEFT: Ned F. Walter '50, a married veteran from Claysburg, is a laboratory assistant in qualitative analysis who maintains a good academic average. He made the Dean's List last semester. Walter is shown above conducting a semi-micro qualitative analysis of anions. RIGHT: Over in advanced quantitative, John F. Kulp, Jr. '49 of Harrisburg, is working with an electrical titrimeter to determine the percentage of chromium in an alloy steel sample.

lifetime acquaintance, presented a further tribute to the retiring head of the chemistry department in his message, "For He's a Jolly Good Fellow." Members of the Board of Trustees, staff and faculty attended the dinner.

Strong Departments

IN a message to the Pennsylvania Conference of College Physics Teachers which met at Juniata College in October, 1947, William I. Book (a college trustee) expressed his pleasure that "Juniata has strong departments in the sciences."

"For in these large fields of knowledge," he said, "the thoughtful student not only receives a broadening of horizon and an accurate training for his future life activities, but he also may find here a sure basis on which to build a faith, a philosophy of life. He may observe that, if he asks Nature an intelligent question

Research work is being carried on in Juniata's department of chemistry this year in two specific fields as a result of grants, each amounting to \$2,500, from the John R. Wald Co. of Huntingdon and Research Corp. of New York City. LEFT: Dr. Donald M. Rockwell, professor of chemistry, and Consuelo Garcia '48 of Managua, Nicaragua, are conducting research for Prismo under the Wald research fellowship. The work involves the study of glass compositions for use in reflective highway markings. In this scene, they are determining the index of refraction of glass particles by immersion in liquids of known refractive index. Two others are at work with them on the study and development of appropriate binders and other fundamental problems related to the field. RIGHT: Dr. Raymond T. Davis, Jr., (standing) assistant professor of chemistry, is at work here with Robert C. Miller '48, now at Mellon Institute, on a research project in adsorption of gases by solids. Funds for this work were made available by a grant of \$2,500 from Research Corp. which awarded one of its 51 Frederick Gardner Cottrell grants to Dr. Davis. The Juniata professor and Miller constructed the apparatus which they are working on here.

he always will receive a consistent and satisfying answer."

Dr. Book, in enlightening the visiting scientists from all parts of the State, pointed out that "one would expect to find, in such a College, the instruction narrowed to the so-called humanities. But this is far from the truth concerning Juniata. We think we have good instruction in the humanities. . . .

"But some of the strongest departments in Juniata's offerings are in the sciences: chemistry, biology, physics and mathematics (thanks to Professors Norman Brumbaugh, Rockwell and Davis, Professors Will and Crummy, Professor Yoder, Professor Stayer, the retired Dr. Shively—the man who does not know how to retire—and the late Professor Saylor."

Dean's List

SIX chemistry majors were included among 20 students named to the Dean's List of Distinguished Students for the fall term to further reveal the academic achievement in the chemistry department. The list included 15 men and five women who attained an average of 90 or above.

The chemistry majors on the Dean's List named by Dr. Morley Mays, dean of the college, were: John H. Baldrige '52, Tyrone; Robert A. Lefever '49, York; Luke M. Shuler '49, Huntingdon; Raymond L. Siren '52, Donora; Philipp Strittmatter '49, Montoursville; and Ned F. Walter '50, Claysburg.

Huntingdon county boasted the

greatest representation of any single area with seven students selected. In addition to Shuler, they were Richard C. Coffman '50, Orville C. Dore '49, Betty Ruth Hess '49, Dorothy A. Humphreys '51, John G. Kepford '49, all of Huntingdon, and Howard Montgomery '52, of Rockhill Furnace.

Other students on the newly titled Dean's List (formerly called Honor List), were: Marion Mae Abdill '49, Woodbury, N.J.; Elsie M. Beard '51, Westminster, Md.; Warren F. Groff '49, Telford; Gerald F. Hartzel '51, Souderton; Edwin H. Marschka '51, Erie; Margaret A. Roop '50, Dowingtown; Quayton R. Stottlemeyer '51, Waynesboro; Donald H. Treese '52, Williamsburg.

Characteristic Traits of Dr. Norman Jodon Brumbaugh

THE retirement of Dr. Norman from the faculty has served to remind all of us of his many-sided and pleasing personality, his interest in scholarship and the training of scholars, his interest in music and various hobbies and his capacity for friendship.

A characteristic trait has been his insistence upon precision and thoroughness in the training one should get in college, a principle he faithfully followed in his own training. He did his undergraduate work at Juniata College, receiving the A.B. degree in 1906. This meant his forming an acquaintance with the great masters in Latin literature as well as those in German and English literature. Then he began his concentration in the natural sciences, studying at Harvard from 1906 to 1910 and, after teaching physics and chemistry at Juniata College from 1910 to 1914, returned to Harvard where he received his master's degree in 1915.

From 1915 to 1920 he was graduate assistant in chemistry at the University of Pennsylvania; then served as Harrison Fellow at the University

from 1920 to 1922, and in 1922 received the Ph. D. degree. From 1922 to 1924 Dr. Norman was a faculty instructor in chemistry at the University. In 1924-25, as a Scandinavian-American Fellow, he studied at the University of Copenhagen, Denmark, a year he found immensely interesting and profitable. He returned to Juniata College as professor of chemistry in 1925.

Another characteristic trait has been his absolute honesty in estimating a student's worth when making a recommendation of him to others. The graduate departments of our great universities and also great industrial firms of our country accept a recommendation from him as being completely trustworthy. It is pleasant to realize that such honesty has been vindicated by the results.

Another characteristic trait has been Norman's undeviating loyalty to Juniata College.

Dr. Norman's personality is wholesome and vigorous because his many diverse interests have been soundly integrated. His athletic interests included track, tennis and fencing.

While a student in Juniata College he established a record in the hundred yard dash at 10 flat that has remained the college record. He won the county tennis championship in 1909. He was secretary-treasurer of the Philadelphia Fencers' Club from 1920 to 1924.

Dr. Norman's musical interests are definitely in orchestral and chamber music. He played the oboe in the college orchestra for a number of years.

His chief hobbies now consist of languages, color photography, travel, and always keeping his friendships in good repair.

This last point is important in explaining the secret of Dr. Norman's interesting personality — his large capacity for friendship; he never neglects old friendships and is eager to form new ones, especially with young people. In this he reminds one of Dr. Samuel Johnson who said, "I look upon every day lost in which I do not make a new acquaintance." This is an interest that will keep Norman always young!

He possesses other "Johnsonian" traits, such as his capacity for animated conversation. He knows not only how to talk well as a conversationalist but also how to listen well. It is true of him as Dr. Johnson said of Boswell, he "never left a house without leaving a wish for his return."

He is Johnsonian in his appreciation of the social traditions of his community. Just as Dr. Johnson said of London, "Sir, when a man is tired of London, he is tired of life," so I venture that Norman would say the same of his associations with Huntingdon.

Norman is Johnsonian in balancing the sprightly side of life with the serious. Not that Dr. Johnson always achieved such balance but he set it forth in his story of Rasselas as an ideal. Norman is the last person ever to approve of anyone's parading his religious interests before the public, yet it would be inadequate not to mention that he has a genuine capacity for reverence in the presence of his Creator and Sovereign Lord.
S.E.D.

Not all the work is done in the classroom and laboratory in Juniata's busy chemistry department. Here at left, for example, Cornelius Strittmatter '47 of Montoursville, spent part of his undergraduate time working in the stock room. And at right, Lee Cave '49 of Altoona, a graduate in January, knows that much time and effort can be accounted for in the chemistry library which is well-stocked with many of the finest books in the field.

Laboratory work in physics and biology is just as much a part of the everyday scene as chemistry in Science Hall. **LEFT:** William J. Dunmire '51 of Altoona, and Paul G. Vonada '51 of Marysville, are determining the mechanical equivalent of heat in the physics lab. **CENTER:** A sports-minded pair of physics majors, Holmes Ulsh '51 (seated), the high-scoring Indians' court star from Huntingdon, and Lloyd S. Keafer, Jr. '49, a trackman from Johnstown R.D., are checking Kirchhoff's Law on the measurement of divided circuits. **RIGHT:** In the biology lab, Gretta M. Madden '50 of Mount Union, and William E. Peightel '49 of Huntingdon, test a frog's reactions on a kymograph.

Teachers Who Served In Chemistry

NINE men and two women have served on the instructional staff of the department of chemistry at the College since its establishment in 1925. The list follows:

Norman Jodon Brumbaugh, BA Juniata,
AM Harvard, PhD Pennsylvania
1925-1949 Professor of chemistry

Samuel Joshua King, BS Juniata
1928-1930 Instructor in chemistry

Berlin C. French, BS, AM Wesleyan
1930-1932 Instructor in chemistry

Frank W. Reinhart, BS Juniata
1930-1937 Instructor in chemistry

Edgar Dare Bolinger, BS Juniata
1931-1932 Assistant in chemistry

Donald M. Rockwell, BS Vermont, PhD Yale
1932-1939 Assistant Professor of chemistry
1939-1949 Professor of chemistry

Eva Ruth Hartzler, BS Juniata, MS Penn
State
1937-1938 Instructor in chemistry

Benjamin C. Bradshaw, AB Transylvania,
AM Vanderbilt, PhD Harvard
1941-1942 Instructor in chemistry

Oscar F. Stambaugh, BS Lebanon Valley,
MS Penn State
1942-1943 Instructor in chemistry

Raymond T. Davis, Jr., BS, MS Virginia
Polytechnic Institute, PhD Johns
Hopkins
1946-1947 Instructor in chemistry
1947-1949 Assistant Professor of chemistry

Katherine H. Rockwell, BS Mt. Holyoke,
PhD Yale
1948-1949 Instructor in chemistry

"...All Knowledge for His Province"

By JESSE F. GARBER '49
Editor, The Juniatian

WHEN some future chronicler in the year 1976 brings the first 100 years of Juniata College before the public eye, he will come to the conclusion that there were some men in that span of years who approached true greatness.

The only trouble with that is that the recognition must be posthumous, and therefore of little satisfaction, except to those who bear the honored name.

A forgotten writer once said that the separation of a thousand miles gives the same perspective as a thousand years. Holding this to be true in a disproportionate sense, we would look on the recent retirement of Professor Norman Jodon Brumbaugh from the Chemistry Department, and his subsequent departure for the Florida sunshine, as an opportunity to review his forty-seven years' association with the college.

From his matriculation at the college in the fall of 1902 'till his retirement from the faculty a few weeks ago, Dr. Brumbaugh expressed an extensive interest in the problems of learning. To the casual reader of the College Bulletin, he is Professor of Chemistry, but to those who have been favored with a personal acquaintance, he seems, like Bacon, "to have taken all knowledge for his province."

After earning the degree Bachelor of Arts at Juniata in 1906, he went to Harvard University where he took his Master of Arts degree. In 1922, after periods as an instructor in Physics and Chemistry at Juniata, a teaching fellow and graduate assistant at the University of Pennsylvania, he took his Ph. D. at that school. After a year's research as a Scandinavian-American Fellow at the University of Copenhagen in Denmark, he returned to Juniata to head the Chemistry Department in 1925.

In the near quarter century that Dr. Brumbaugh was its head, the Chemistry Department of Juniata rose to national prominence. It is no idle supposition that the excellent records made in graduate schools by the alumni of this department have been deciding factors in Juniata's acceptance into the Association of American Universities.

However, Dr. Brumbaugh was interested in the "whole" man, not only the leather-aproned handler of reagents. While in his undergraduate days at Juniata, he established a record mark in the hundred yard dash in 10 flat, a mark that has not been surpassed in 40 years of competition since. In 1909, he won the county tennis championship. From 1920 to 1924 he was Secretary-Treasurer of the Philadelphia Fencer's Club.

In other provinces of knowledge, Dr. Brumbaugh delighted in meeting a challenge, and has considered the intricacies of foreign languages and color photography among his hobbies. Definitely interested in orchestral and chamber music, he for many years played the oboe in the College Orchestra, in which, incidentally, he was instrumental in the founding.

However, Dr. Brumbaugh's life and devotion to Juniata do not seem so extraordinary, when the observer assumes the point of view that that gentleman modestly presented at the County Club at a Testimonial Dinner given in his honor by the faculty last fall. He claimed that his environment and early training, along with the opportunities presented, were of such nature that he could not do, nor be, otherwise.

It is then, this sense of duty, or a compelling "could not do otherwise," that, we believe, will cause the historian of 1976 to declare that NORMAN JODON BRUMBAUGH was a "great" man in the growth of the college.

Around the Campus

A CAMPUS-WIDE campaign to raise funds for foreign student aid, mission work, and charity at home was conducted with tremendous success by the students on the campus beginning February 14. Known as the Juniata World Service Fund drive, the all-inclusive campaign surpassed its goal of \$1949 by consolidating the campus fund raising into one major effort.

Among the agencies and individuals benefiting from the drive are: World Student Service fund; the Rev. J. M. Blough and the Rev. H. Stover Kulp, both mission field workers; Miss Opal Stech, a former faculty member now working in Warsaw, Poland; the American Red Cross; and the Foreign Student Aid Fund. A. Cassel Coffman, a senior business major from LaVerne, Calif., conducted the campaign as general chairman.

★ ★ ★

Additional efforts to boost the Foreign Student Aid fund and to again exhibit the varied talent on campus took place in the form of Victor Herbert's "Sweethearts," a musical comedy presented in Oller Hall on March 18 and 19. An all-student cast under the direction of Prof. Donald S. Johnson (with assists from Miss Esther M. Doyle and Jack D. Brammer of the faculty) gained considerable praise for a lively "hit." Lois Esaley, a junior from Hanover, served as student coordinator for the show.

★ ★ ★

A total of 674 students is enrolled at Juniata College for the Spring semester. This is a drop of 19 from the record-high enrollment in the fall term. Men outnumber the women nearly 2 to 1 as a breakdown shows that 433 men and 241 women are enrolled. Of these totals, 643 are full-time students, 25 are listed as part-time, and six are special music students.

★ ★ ★

Enlightening talks and provocative discussions featured Juniata's annual Spiritual Life Week, the outstanding event in the yearly program

Memo on Events

April 14 Holy Week Service
April 29 College Band Concert
May 14 May Day
May 21 Championship Day
June 4 Alumni Day
June 5 Oratorio
June 6 Commencement

of religious activities on campus. Dr. William M. Beahm, dean of Bethany Biblical Seminary, was guest speaker and seminar leader for the week-long program February 7-11. The entire program was planned by a student committee headed by Jack F. Padgett, junior from Haddonfield, N.J.

★ ★ ★

Hobart Mitchell, New York concert and radio baritone, presented a recital in Oller Hall on February 28 which featured the song settings of great poetry. An artist who has sung in concerts from New York to Singapore, Mr. Mitchell's performance was favorably received by students and faculty.

★ ★ ★

The college conducted the annual Joseph F. Biddle General Information contest on the campus February 17. The \$15 top award was won this year by Howard F. Long, a junior chemistry student from Baltimore; second prize money of \$10 was split between Mary Phyllis Gibbs, a senior from Jersey Shore, and Raymond Sidorsky, a junior from Bristol, who tied. Established more than 20 years ago, the contest is designed to broaden general education and stimulate reading on the part of the students.

★ ★ ★

The Community Concert series brought four excellent programs to Oller Hall this season. Two individual artists who appeared were Abbey Simon, pianist, and Paul Makovsky, violinist. The Columbia Operatic Trio and the Slavenska Ballet Variante provided good variety for students and townspeople.

UN Executive Speaks

STRESSING the importance of individuals and nations "to know in which direction they are going," Dr. Andrew W. Cordier delivered an enlightening address on the work of the United Nations at the College's winter convocation in Oller Hall on January 31.

The executive assistant to the Secretary-General of the United Nations spoke at exercises held for mid-year graduation and opening of the spring term. Degrees were conferred upon 18 by President Calvert N. Ellis.

"Human values still do count and the force of individual initiative is important in determining direction in the world today," Dr. Cordier maintained. "What is your sense of direction?" he asked.

He emphasized the work of the United Nations and what it has attempted to do in various fields of endeavor. However, he made a strong point that "the United Nations has not been as effective as the people who have suffered from wars have the right to expect, but it has been more effective than the people know." Dr. Cordier further explained that information as to certain internal achievements of the United Nations has not been revealed.

Bachelor of arts degrees were granted to R. Thomas Calhoun, Kennett Square; James A. Gittings, Millvale; Carolyn R. Hess, Huntingdon.

Bachelor of science degrees went to Lee E. Cave, Altoona; Donald D. Dunkle, Johnstown; Julia M. Emigh, West Pittston; Mary Louise Gindlesberger, Windber; Cline O. Hadaway, Buford, Ga.; Martha A. High, Spring City; Marian M. Johnson, Hatboro; Jack W. Lang, McConnellstown; David W. Kulp, Pottstown; Betty A. McElwain, Fleming; Carl E. Miller, Johnstown; Roy H. Schreffler, Philipsburg; Cary H. Simpson, Huntingdon; Thomas M. VanNatta, Lewistown; and Jay V. Walker, Huntingdon.

JOIN THE 100 CLUB

In The World of Chemistry

Alumni office records reveal that 143 majors in chemistry have been graduated from Juniata College from 1921 to 1949 and have now gone forth to serve in the world of chemistry. This list follows.

1921

Montgomery, John B., A.B.

M.D. Jefferson Medical College; physician and clinical professor of gynecology, Jefferson Medical College, Philadelphia; member American College of Surgeons; office: 1930 Chestnut Rd., Merion, Pa.; Res. 271 Forrest Rd., Merion, Pa.

1922

Miller, Jesse K., B.S.

Graduate study, University of Pittsburgh; chief chemist, Donora Zinc Works, Donora, Pa.; member A.C.S.; Res. Kenric Ave., Donora, Pa.

1925

Stone, John C., A.B.

M. Ed. 1940 Penn State; chemist, Owens-Corning Fiberglas, Huntingdon; member A.C.S.; Res. 1418 Mifflin St., Huntingdon, Pa.

1926

Cool, Ralph H., B.S.

Cities Service Refining Corp., Lake Charles, La., supervisor treating, acid units; Res. 1617 Seventh St., Lake Charles, La.

1927

Leiter, Ralph W. E., B.S.

S. M. 1928, S.D., 1930 (physical metallurgy) Harvard University; winner Howe Medal of A.S.M. 1938; member A.I.M.E. and A.S.M.; director Metallurgy and Chemical Lab., Railway Equipment Division, The Budd Co., Philadelphia; Res. 6819 Milton St., Philadelphia 19, Pa.

1928

Aughey, W. Henry, B.S.

DuPont de Nemours & Co., Dept. of Spechoscopy, Research chemist; Res. Sherwood Road, Arden, Del.

King, Samuel J., B.S.

M.D. Harvard University Medical School, 1934; Physician, chief of medical and cardiologist service, Frisbie Memorial Hospital, Rochester, N.H.; Res. 75 Charles St., Rochester, N.H.

Neff, Walter S., B.S.

M.D. 1932 Jefferson Medical College; physician, Lenont Peterson Clinic, Virginia, Minn.; member of American Med. Assoc.; American Heart Assoc., American College of Physicians; Res. 324 Seventh St., So., Virginia, Minn.

Pewterbaugh, David C., B.S.

M.D. 1933 Jefferson Medical College; post-grad work Washington University, St. Louis, Mo.; physician, chief of pediatric and out-patient dept., York Hospital, York, Pa.; member American Medical Assoc. and American Academy of Pediatrics; Res. 621 Country Club Road, York, Pa.

1929

Boyer, S. Harold, B.S.

New York Life Insurance Co.; Res. Aitch, Pa.

Hamer, Walter J., B.S. (magna cum laude)

Ph.D. 1932 Yale University; Manhattan Project medal, World War II; National Bureau standards, Washington 25, D.C., chemist; Georgetown University, lecturer;

U.S. Dept. Agriculture Graduate School, professor; member A.C.S.; Res. 2720 Wisconsin Ave., N.W., Washington 7, D.C.

1930

Aughey, Elizabeth (Mrs. Bert J. Vos) B.S.

Housewife since 1944; Res. Box 37, McLean, Va.

Bagley, Clifford E., B.S.

M.D. 1934, Temple University; physician; Fellow, American College Surgeons. Fellow, International College Surgeons; Diplomate, American Board of Urology; American Urological Assoc.; Res. 230 N. Highland St., Arlington, Va.

Beatty, Robert L., B.S.

U.S. Bureau of Mines, Central Experiment Station, Pittsburgh, Pa.; Res. 4800 Forbes St., Pittsburgh 13, Pa.

Campbell, Vernon W. H., B.S.

M.D. 1939 Jefferson Medical College; Senior Medical Officer, U.S.S. Missouri; member American Medical Assoc.; Res. 209 Clinton Ave., Brooklyn 5, N.Y.

Howe, William A., B.S.

M.A. 1945 New York University; Chemistry teacher, Lewistown High school; Res. 129 North Walnut St., Lewistown, Pa.

Reinhart, Frank W., B.S. (summa cum laude)

Graduate study Columbia University, University of Maryland, National Bureau of Standards graduate school; assistant chief organic plastics section, National Bureau of Standards, Washington; member A.C.S. and American Physical Society; Res. 9918 Sutherland Rd., Silver Spring, Md.

Sharpe, Amos A., B.S.

M.S. 1935 University of Michigan; study for D.Ed. at Penn State; supervising principal, Saxton-Liberty schools, Saxton, Pa.; Res. (as above)

Sharpe, John E., B.S.

M.S. University of Michigan; chemistry teacher, Everett High School; Res. 413 E. Main St., Everett, Pa.

Siple, Esther M. (Mrs. John P. Gibbel), B.S.

Res. 40 North 18th St., Harrisburg, Pa.

Watters, Leslie, B.S.

Ph.D. University of Pittsburgh; Res. 825 Clarison St., Pittsburgh 19, Pa.

1931

Atalski, C. Mitchell, B.S.

L.L.B. Duquesne University; Res. 838 Ridge Ave., McKees Rocks, Pa.

Bolinger, E. Dare, B.S.

M.S. 1934, Ph.D. 1936 New York University; Deering Milliken Research Trust, Greenwich, Conn.; Member A.C.S., American Institute Chemistry; Res. 417 Oaklawn Ave., Stamford, Conn.

McTavish, Chester L., B.S.

M.Ed. 1939 Penn State; instructor in chemistry & survey science courses, West Chester State Teachers College; Res. State Teachers College, West Chester, Pa.

Mostoller, C. R., B.S.

Deceased—World War II.

Reinhart, Fred M., B.S.

M.S. 1933 Trinity College; further study New York University, University of Maryland; metallurgist, National Bureau of

Standards, Washington; American Society for Metals; Res. 302 Windsor St., Silver Spring, Md.

Weight, Clifford, B.S.

Res. 5320 P. Street, S.E., Washington 19, D.C.

1932

Gates, George C., B.S.

Post Office Clerk, Altoona, Pa.; Res. 2111 Fifth St., Altoona, Pa.

Harkness, James W., B.S.

M.Ed. 1938 Penn State; graduate study George Washington University; Chemistry instructor, George Washington University; Res. R.D. #2, Box 214, Alexandria, Va.

Harley, James J., B.S.

DuPont de Nemours & Co., Production, Res. 1203 Hillside Ave., Holly Oak Terrace, Wilmington 278, Del.

Hartzler, Eva R., B.S. (cum laude)

M.S. 1933 Penn State; Instructor, Agriculture & Bio-Chemistry, Penn State; member A.C.S.; Res. 630 N. Allen St., State College, Pa.

Hoffman, Galen F., B.S.

M.L. 1942 University of Pittsburgh; Rexair Dealer, Martin Parry Corp.; Res. R.D. 7, Box 430, Johnstown, Pa.

Rupert, Thomas N., B.S.

M.Ed. 1938 Penn State; Supervisor educational retraining, Perry Point Veterans Hospital, Perry Pt., Md.; Res. 104 Seneca Ave., Havre de Grace, Md.

1933

Donelson, John G., B.S.

Ph.D. 1937 Yale University; Carnegie-Illinois Steel Corp. Research Associate; member A.C.S.; Res. 1001 Milton Ave., Pittsburgh 18, Pa.

Ferner, J. Lynn, B.S.

West Virginia Pulp & Paper Co., general superintendent Tyrone Mill; Res. 1612 Hamilton Ave., Tyrone, Pa.

Horton, Clarence H., B.S.

Identification officer, Pennsylvania Institute for Defective Delinquents; Res. 506 Fifth St., Huntingdon, Pa.

Konrad, Reinhardt E., B.S.

A.M. Cum Laude, Columbia University 1938; chemist, Pennsylvania Railroad; Res. Box 62, Altoona, Pa.

Kunsman, Elvin H., B.S.

M.Ed. 1942 Penn State; supervising principal, Cressona Borough Schools, Cressona, Pa.; Res. North Third St., Cressona, Pa.

McDonough, J. Albert., B.S.

Graduate study Penn State; principal, Margaret Brent high school, Helen, Md.; Res. Chaptico, Md.

Watson, Harold A., B.S.

Graduate study Carnegie Tech; chemist, U.S. Bureau of Mines, Pittsburgh; member A.C.S.; Res. 240 N. Bellefield Ave., Pittsburgh 13, Pa.

1934

Foulke, D. Gardner, B.S.

M.S. Rutgers University.

Myers, Jack E., B.S. (summa cum laude)

M.S. 1935 Montana State College, Ph.D. 1939 University of Minnesota; assistant professor of zoology, University of Texas; member American Society Plant Physiologists, Botanical Society of America; Res. 1505 Northwood Rd., Austin, Texas.

Watkin, Walter B., B.S.

M.D. 1938 Jefferson Medical College; physician; Res. Saltillo, Pa.

1935

Berry, Kenneth L., B.S. (cum laude)
M.S. 1937 Rutgers, Ph.D. 1940 Yale; research chemist, DuPont de Nemours & Co., Experiment Station, Wilmington, Del.; member A.C.S.; Res. R.D. #1, Hockessin, Del.

Cramer, Richard D., B.S. (cum laude)
M.A. 1936, Ph.D. 1940, Harvard University; research chemist, DuPont de Nemours & Co. Experiment Station, Wilmington, Del.; member A.C.S.; Res. 302 Mansion Rd., Wilmington 131, Del.

Gehrett, Jane G. (Mrs. George Rayner), B.S. (cum laude)
Ph.D. 1938 Yale University; survey chemist, General Chemical Co., New York, N. Y.; member A.C.S.; Res. 62 Montague St., Brooklyn 2, N.Y.

McCreary, Melvin Leroy, B.S.
Graduate study Shippensburg State Teachers College; manager, West Virginia Pulp and Paper mill, Williamsburg, Pa.; member A.C.S.; Res. 831 West Third St., Williamsburg, Pa.

Minsker, Frederick C., B.S. (magna cum laude)
M.S. 1937 Penn State; chemist U.S. Food and Drug Administration, Philadelphia; Bus. 1204 New Custom House, Phila., Pa.

Speicher, Ray E., B.S.
M.S. Penn State; farmer; Res. New Enterprise, Pa.

Smith, John O., B.S. (magna cum laude)
Ph.D. Princeton University; Res. 149 Sycamore Ave., N. Plainfield, N.J.

1936

Barkdoll, Archie Edwin, B.S.
M.S., Ph.D. Harvard University; research chemist, DuPont de Nemours & Co. Experiment Station, Wilmington, Del.; Res. 2515 West 18th St., Wilmington 47, Del.

Miller, Thomas R., B.S. (cum laude)
Ph.D. 1940 University of Pennsylvania; Carbide and Carbon Chemical Co.; Res. 736 Churchill Drive, Charleston 4, W. Va.

1937

Barron, Harold E., B.S.
Principal Troutville high school; Res. Troutville, Va.

Botwright, Charles F., B.S.
Pennsylvania Electric Co., Eastern Division Sales Supervisor; Res. 5904 Sixth Ave., Altoona, Pa.

Hoover, Paul S., B.S. (cum laude)
M.D. 1948 University of Penna.; graduate study Duke University; Intern, Philadelphia General Hospital; Res. 305 South 41st St., Philadelphia 4, Pa.

McCartney, John S., B.S.
M.S. Penn State; Head of physics department, Kings College; Res. Kings College, Bristol, Tenn.

Smith, Harold R., B.S.
Graduate study University of Maryland; chemist, Army Chemical Center, Md.; Res. 34 N. Main St., Bel Air, Md.

Zentmyer, David T., B.S. (cum laude)
Graduate study University of Chicago; M.S. 1939, Ph.D. 1948 University of Pennsylvania; chemist, Armstrong Cork Co., Lancaster; member A.C.S.; Res. 104 N. George St., Millersville, Pa.

1938

Carney, Albert S., B.S.
M.S. University of Penna.; graduate study Penn State; instructor, Penn State Undergraduate Center, Altoona; Res. 2714 Third St., Altoona, Pa.

One hundred and six years of service to science at Juniata College are represented in the careers of the present faculty members in Science Hall. Front row, left to right: Dr. Norman J. Brumbaugh, chemistry, 28 years; Mrs. Katherine H. Rockwell, chemistry, 1 year; Dr. Pressley L. Crummy, biology, 14 years; Dr. Raymond T. Davis, Jr., chemistry, 3 years. Back row: Dr. Homer C. Will, biology, 20 years; Dr. Donald M. Rockwell, chemistry, 17 years; Prof. Paul R. Yoder, physics, 23 years.

Epple, Robert P., B.S.
Ph.D. 1947 M.I.T.; instructor in chemistry, Brown University; member A.C.S.; Res. 26 Congdon St., Providence, R.I.

Harley, Wilbur J., B.S.
Graduate study Shippensburg State Teachers (1938), Penn State (1940), Jefferson Medical College, at present; Res. 1032 Spruce St., Philadelphia 7, Pa.

Livengood, Samuel M., B.S. (cum laude)
M.S. 1941, Ph.D. 1943 Rutgers University; Industrial Fellow, Mellon Institute of Industrial Research; Res. 1408 Sloan Ave., Pittsburgh 21, Pa.

Papadeas, William, B.S.
Res. 7323 - 195th St., Flushing, N.Y.

Price, Carl E., B.S.
Graduate study University of Pennsylvania; research chemist, Scott Paper Co., Chester, Pa.; member A.C.S.; Res. 1057 Logan St., Noblesville, Ind.

Tobler, Ruth M., B.S.
Graduate study Penn State; analytic chemist, Firestone Rubber Co.

1939

Aikey, Arthur A., B.S.
Central Research Labs, Celanese Corp. of America, Summit, N.J.; member A.C.S.; 37 Alexander Ave., Madison, N.J.

Clark, Robert H., B.S.
Graduate study University of Pennsylvania; chemist; Res. 22 Akron St., Meriden, Conn.

Coffman, John A., B.S.
M.S. 1941 Trinity College; General Electric Co., Plastics Lab., Pittsfield, Mass.; member A.C.S.; Res. Stockbridge, Mass.

Cramer, John M., B.S.
Graduate study Penn State; science teacher Juniata Joint high school; Res. R.D. #2, Mifflintown, Pa.

Greene, George A., B.S.
Graduate study University of Pennsylvania; American Society for Metals; assistant metallurgist Yale and Towne Mfg. Co., 4530 Tacony St., Philadelphia 24, Pa.; Res. 237 S. 42nd St., Phila. 4, Pa.

Goodale, Charles E., B.S.
Graduate study University of Louisville; sales representative, DuPont de Nemours & Co., Grasselli Dept., Cleveland, O.; Res. 3084 Livingston Rd., Cleveland 20, Ohio.

Hassler, William W., B.S. (cum laude)
M.S. University of Pennsylvania; instructor, chemistry dept., Drexel Institute of Technology; Res. 2040 S. Cecil St., Philadelphia, Pa.

Hollyday, William C., Jr., B.S.
M.S. 1942, Ph.D. 1944 Rutgers University; research chemist, Standard Oil Development Co., Elizabeth, N.J.; Res. 139 Farley Ave., Fanwood, N.J.

Lincoln, Robert M., B.S.
M.S. University of Pennsylvania; chemical engineer, Atlantic Refining Co.; Res. State & Providence Rds., Media, Pa.

Meiss, Philip E., B.S.
Chemist, U.S. Dept. of Agriculture Eastern Regional Laboratory, Phila.; member A.C.S.; Res. Box 126, Laurel Springs, N.J.

Miller, Robert C., B.S.
Research assistant Mellon Institute, Pittsburgh.

Patterson, G. Harold, B.S. (magna cum laude)
Ph.D. 1942, Massachusetts Institute of Technology; research chemist, DuPont de Nemours & Co., Wilmington, Del.; member A.C.S.; Res. 825 Woodsdale Rd., Wilmington, Del.

Roslund, Clifford R., B.S.

Graduate study Bucknell University, Wilkes College; supervising principal, Laceyville-Meshoppen Joint School, Meshoppen, Pa.; Res. Laceyville, Pa.

Shaffer, Lewis G., B.S.
Deceased.

1940

Bair, Robert K., B.S.

Ph.D. Organic Chemistry 1943, Northwestern University; Sterling-Winthrop Research Institute, Patent Division, Rensselaer, N.Y.; member A.C.S.; Res. 11 Circle Lane, Albany 3, N.Y.

Beacham, Harry Hoyt, Jr., B.S.

M.S. 1943, Trinity College; graduate study, University of Rochester, University of Pittsburgh; Research fellow, University of Pittsburgh; member A.C.S.; Res. 1016 South Ave., Plainfield, N.J.

Cupper, Robert A., B.S.

Graduate study Rutgers University, University of Pittsburgh; member A.C.S.; Industrial fellow (research chemist) Mellon Institute, Pittsburgh 13, Pa.; Res. 294 Barclay Ave., Forrest Hills, Pittsburgh 21, Pa.

Morrow, Raymond T., B.S. (cum laude)

Graduate study University of Colorado; assistant in chemistry, University of Colorado; Res. 2045 Spruce St., Boulder, Colorado.

Roland, Charles S., B.S.

M.S., Ph.D. Penn State 1944; research chemist, Interchemical Corp., N.Y.; Res. Apt. 612D, Larchmont Acres, Larchmont, N.Y.

Walter, Dean I., B.S.

Naval Research Laboratory, Washington 20, D.C.; chemist in charge of special methods, Analytical chemistry section, metallurgy division; pastor of Vicksburg Brethren Church, near Hollidaysburg, Pa.; Res. 3634 Horner Place, S.E., Washington 20, D.C.

1941

Beegle, L. Clair, B.S.

M.S. 1943 Trinity College; American Cyanamid Research Labs, Stamford, Conn.; member A.C.S.; Res. 8 Stanley Court, Stamford, Conn.

Beyer, George L., B.S.

Ph.D. 1945 Rutgers University; Eastman Kodak Co., Rochester, N.Y.; member A.C.S.; Res. 1580 Elmwood Ave., Rochester, N.Y.

Haines, Paul G., B.S.

M.S. 1942 University of Pennsylvania; now doing graduate study for Ph.D. on Harrison Fellowship; member A.C.S.; Res. 427 West Queen Lane, Philadelphia, Pa.

Morgan, Roy G., B.S.

Design draftsman, Kamis Engineering Co., Philadelphia; Res. 646 S. 51st Street, Philadelphia 43, Pa.

Reighard, Howard E., B.S.

Graduate study Johns Hopkins University, University of Maryland; engineer, Calvert Distilling Co., Baltimore; Res. 4312 Mainfield Ave., Baltimore 14, Md.

Rumberger, Wilson A., B.S.

Graduate study University of Pittsburgh Medical School; Res. 401 E. Burgess, Pittsburgh, Pa.

1942

Aitken, Merl A., B.S.

Carbide & Carbon Chemical Corp., So. Charleston, W. Va.; member A.C.S.; Res. 209 Central Ave., So. Charleston, W. Va.

A. B. Brumbaugh Science Prize Recipients

One of the most valued awards each year to majors in science is the Doctor Andrew B. and Maria F. Brumbaugh Science Fund prize.

Dr. Gaius M. Brumbaugh, immediate past president of the Board of Trustees, makes available annually two science prizes of \$100 each in memory of his parents, the late Dr. Andrew B. and Maria F. Brumbaugh. These prizes are awarded only to students who graduate with distinction in biology, chemistry or physics. If in any year, no science department has a graduate whose general average is 90 or better, no award is made.

The recipients of this award follow:

1924-25—

Mabel Catherine Mobus

John Paul Stein

1925-26—

Clarence Rolland Pentz

1926-27—

Rufus King Reber

1927-28—

Samuel Joshua King

1928-29—

Walter Jay Hamer

1929-30—

Frank Walter Reinhart

1930-31—

Russell Mahlon Lucas

1931-32—

Eva Ruth Hartzler

John D. Howe

1933-34—

Jack E. Myers

1934-35—

Richard David Cramer

1935-36—

Donald Dupler

1937-38—

John J. Oberly

1938-39—

George Harold Patterson

1939-40—

Wilmer Newton Long, Jr.

Raymond Theodore Morrow

1942-43—

Erwin Hahn

1944-45—

Mary Louise Koch

1946-47—

William Nevin Macclay

1947-48—

Daniel Edwin Sell

Thomas James Boyd, Jr.

Brumbaugh, Robert J., B.S.

Graduate study University of Pennsylvania; assistant instructor, University of Pennsylvania; 4046 Chestnut St., Philadelphia, Pa.

Haines, Charles J., B.S.

Graduate study Morris Harvey College; member A.C.S.; senior chemist, Carbide and Carbon Chemical Corp., So. Charleston, W. Va.; Res. 4-B Young, Richmond Heights, Spring Hill, W. Va.

Jones, William H., B.S.

M.S. 1944 Columbia University; Ph.D. 1947 Massachusetts Institute of Technology; DuPont Post-graduate Fellow, University of Illinois; Research and development division, Merck & Co. Inc.; member A.C.S.; Res. 272 E. Grand Ave., Rahway, N.J.

Morningstar, R. Eugene, B.S.

Fellowship Ohio State University; Res. 91 S. Frambes Ave., Columbus, Ohio.

Pentz, Clyde A., Jr., B.S.

Extension work West Virginia University; chemist Carbide & Carbon Chemical Corp., So. Charleston, W. Va.; member A.C.S.; Res. 109 Montrose Dr., So. Charleston, W. Va.

1943

Garber, Max R., B.S.

Graduate Study, School of Dentistry, Georgetown University; Res. 1913 35th Place N.W., Washington, D.C.

Hahn, Erwin L., B.S.

M.S. 1946 University of Illinois; special research assistant & graduate student, University of Illinois; member A.C.S.; Res. Courte E, Apt. 64-C, Stadium Terrace, Champaign, Ill.

Knepper, Wilmer C., B.S.

Chemical supervisor, Celanese Corp. of America, Cumberland, Md., branch; member A.C.S.; Res. R.F.D. #5, Cumberland, Md.

Long, Richard M., B.S.

Graduate study Syracuse University; alkali research chemist, pilot plant operator, Solvay Process Co., Syracuse; Res. 319 Euclid Ave., Syracuse 10, N.Y.

Newill, Vaun A., B.S.

M.D. 1947 University of Pittsburgh; intern, St. Francis Hospital, Pittsburgh; member Association of American Physicians; Res. 3132 N. Third St., Harrisburg, Pa.

Parsons, Robert L., B.S.

Analytic chemist, Aluminum Research Labs, Alcoa, New Kensington, Pa.; member A.C.S.

Robb, Charles M., B.S.

Organic chemist, Medical Research Div., Sharp & Dohme, Inc., Glenolden, Pa.; Member A.C.S. and A.A.A.S.; Res. 5 W. Cooke Ave., Glenolden, Pa.

Tay, George H., B.S.

Assistant production engineer, Lee Metal Products Co., Philipsburg, Pa.; Res. Allport, Pa.

1944

Freeman, James H., B.S.

Tidewater Assoc. Oil Co., research lab, Bayonne, N.J.; member A.C.S.; Res. 231 W. Market St., Ligonier, Pa.

Hunt, William C., B.S.

Graduate study University of Pennsylvania; assistant instructor University of Pennsylvania; member A.C.S.; Res. 225 S. Farragut St., Philadelphia, Pa.

Kennedy, Eleanor F., B.S.

Chemist, Pennsylvania Industrial Chemi-

Every day's a busy day in the chemistry department as students go from class room to laboratory. **TOP LEFT:** Dr. Norman J. Brumbaugh taught his final class before his retirement in physical chemistry in Room 104. **TOP RIGHT:** Students are shown at work in the remodeled qualitative analysis laboratory in the basement. Incidentally, at the extreme left is Harry Ball '49 of Irvington, N. J., the staff photographer for the Alumni Bulletin this year. **LOWER LEFT:** Determining the absorption spectrum of chlorophyll on a spectrophotometer are W. Stanley Briggs '48 of Curwensville, and William R. Rosensteel '48 of Apollo. **LOWER RIGHT:** Accuracy in measurements is important as these chemistry majors will testify after a battle with balances in quantitative analysis.

Chemist D. M. Bare Paper Co., Roaring Spring; Home Add: 1010 23rd Ave., Altoona, Pa.

Johnson, Marian M., B.S.

Research Asst., Institute of Paper Chemistry, Appleton, Wis.

Miller, Carl, B.S.

General chemical division, Allied Chemical & Die Corp.; Home Add: 339 Gardner St., Johnstown, Pa.

EDITOR'S NOTE

In order to maintain up-to-date records, the Alumni Office will welcome all corrections or supplemental information to this list as printed.

The Juniata Sports Parade

Spring Sports

JUNIATA'S golf team, unbeaten in nine matches last season, will face 10 opponents this spring in a stiff schedule which includes one triangular and eight dual matches.

The Indian linksmen, who last year recorded the best record in the history of any intercollegiate sport at the college, are scheduled for five home and four away matches. In addition, the team is slated to participate in an invitation tournament at Western Maryland. Only one new opponent, Dickinson, is listed on the 1949 slate. The Carlisle golfers will be met home and away.

Now in their third season of intercollegiate competition, the Juniata teemen will again be under the direction of Dr. Ed Kiracofe, professor of education.

GOLF

Apr. 20, Pittsburgh, home; Apr. 23, Dickinson, away; Apr. 26, Dickinson, home; Apr. 29, Bucknell, away; May 4, Albright, home; May 7, Geneva and Franklin & Marshall, home; May 9, Bucknell, home; May 12, Western Maryland, away; May 13, Johns Hopkins, away; May 14, Invitation tournament, Western Maryland.

★ ★ ★

A 15-game baseball schedule for the Tribe opened on April 1. Eight home and seven away games against

nine different opponents are scheduled.

This year's schedule does not include the early-spring southern tour which had proved more detrimental than helpful to teams in the past two seasons. Bill Smaltz is coaching the team.

BASEBALL

Apr. 1, Bucknell, away; Apr. 12, Susquehanna, home; Apr. 20, Pittsburgh, home; Apr. 23, Dickinson, away; Apr. 27, Elizabethtown, home; Apr. 30, St. Vincent, away.

May 4, Albright, home; May 6, Susquehanna, away; May 7, Lebanon Valley, away; May 11, Lebanon Valley, home; May 14, Dickinson, home; May 18, St. Francis, away; May 20, Elizabethtown, away; May 28, St. Francis, home.

June 4, St. Vincent, home.

★ ★ ★

Juniata's track schedule includes three dual meets, one triangular contest and participation in the Penn Relays and Middle Atlantics this spring.

Mike Snider, who coaches the trackmen and this year is serving as president of the Middle Atlantic States Collegiate Track and Field Association, revealed that the Indians will face the same opponents as last season.

TRACK

Apr. 27, Dickinson, away; Apr. 29-30, Penn Relays, Philadelphia; May 4, Bucknell-Gettysburg, at Bucknell; May 7, Geneva, home; May 10, Albright, home; May 13-14, Middle Atlantics, at Gettysburg.

Combining chemistry and collegiate sports has not been difficult for John Burych '49 of Mount Union. As captain of this year's golf team, Johnny will attempt to carry his own and the team's undefeated record through another season. As president of the chemistry club, Johnny knows what he is doing in the laboratory. Here he is shown working out the electrodeposition of copper on an electro analyzer.

Football Dates Set

HARTWICK and Grove City are included as newcomers on Juniata's seven-game football schedule for 1949 prepared by Director of Athletics P. M. Snider.

The Indians previously met Hartwick in a four-game series which ended in 1940 and have not met Grove City on the gridiron since 1937. These colleges replace Alliance and Lebanon Valley for 1949, but the remaining five opponents are the same.

Four home and three away games are on the Tribe's card opening with Westminster at home on October 1. The games with Hartwick and Moravian, both away, will be played at night.

The schedule: Oct. 1, Westminster, home; Oct. 8, Hartwick at Oneonta, N.Y.; Oct. 15, Susquehanna, home; Oct. 22, Dickinson, home; Oct. 29, Haverford at Haverford; Nov. 5, Grove City, home; Nov. 11, Moravian at Bethlehem.

JUNE 4

BASEBALL: ST. VINCENT

Once in a Lifetime

With the cry of "play ball" echoing in all directions, Juniata fans again will recall some of the Indians' famous baseball victories. The 3-2 triumph in 15 innings over Pitt last season was a great game. Bill Nyce, manager of last year's diamond nine, has recorded that game by giving it a "once in a lifetime" twist.

By WILLIAM G. NYCE '48

JUNIATA College, with an enrollment of 650, is playing the University of Pittsburgh at gigantic Pitt Stadium, April 19, 1948. Bill Smaltz, Juniata baseball and football coach and ex-Penn State passing star before the war, wants to win this game and he nominates Tom Kyper, Huntingdon boy, and last year's ace, to face the Panthers. Juniata picks up two big runs in the first inning and that should be a good margin for Kyper to work on.

But wait, here's the Panthers coming right back. Kyper walks the first two men and gives up a single to push over a run. Tom just pitched eight innings three days before and he doesn't seem to have his stuff today. Here's where the "Once in a Lifetime" starts.

Coach Smaltz waves to the bullpen back of third base and brings in Paul Peoples, south paw. Peoples, from McAlevys Fort, Pa., has never started a game for Juniata. Last year, he warmed up in the bull pen all season while Kyper and another pitcher won all the games. So far this year he has only pitched $3 \frac{1}{3}$ innings. He was just another sub up until now, but here he comes in—runners on second and third, nobody out and the cleanup hitter coming up. The situation looks bad, but wait—here's a grounder to the box, then a pop-up, and now a grounder to second base—no runners score, not bad.

And so it's into the second inning. Coach Ralph Mitterling of Pitt, who played with the Philadelphia Athletics after World War I, sent in big Rudy Hudec, from Pittsburgh, in the first inning when Juniata got two runs. He just pitched eight innings four days ago. Hudec starts to set Juniata down in order also—it looks like a pitching duel. But here's the fourth inning for Pitt and a single, a sacrifice, another single

and the game is tied up. Hudec is hot—he strikes out seven men in the first seven innings and one run looks like it might win the game. From the fifth inning on, Juniata gets one hit every inning, but big Rudy closes the door on home plate.

But watch Peoples too, the little 5' 6" lefthander is matching his opponent pitch for pitch. In nine innings he gives up only seven hits although he only strikes out one batter. Now it's extra innings. Juniata continues to put a man on in every inning, but can't score. Bob Holsinger, Martinsburg, Pa., out in spacious leftfield for Juniata, has 10 putouts and Dave Phenicie, Lewistown, Pa., in centerfield, makes several game saving catches. The infield plays airtight ball also. Pitt also plays brilliant ball—the 13th, 14th. The umpires notice the lengthening shadows. "Gotta end the game soon," they say to each other. Now the fifteenth. Here's Juniata's leading hitter to lead off, Mike Dzvonar, West Aliquippa, Pa., third baseman. He clouts a double over the leftfielder's head. Here's Holsinger, but he fans. Now Co-Captain Don Everhart, catcher from Wood, Pa., is at the plate. He led the team in RBI's last year. Here's the pitch—there it goes, a single, scoring Dzvonar.

But wait, can Peoples retire the Panthers yet. Fifteen innings is a long game for the little lefthander who hasn't pitched that many innings all told in two years. First man up, Art Barnes, shortstop from Verona, Pa. and he singles. Now a sacrifice. Now here's Jack Smodic, centerfielder from German Township, Pa. He hits a long fly ball to Phenicie in center and it's two away. One more to go. Here's the cleanup hitter, Dodo Canterna, big third baseman from Freeport, Pa. But his best is another flyball to center and the game is over.

Fifteen innings—1 run and 9 hits, the scorebook reads. Quite a pitching performance for a man who rode the bench up until today. Peoples went on to win more games for Juniata, but he will always remember that one. It happens "Once in a Lifetime."

Cage Roundup

IN spite of the sharpshooting efforts of Sophomore Holmes Ulsh of Huntingdon, the Juniata cagers were unable to keep up with the pace of offensive-minded opponents and tumbled to defeat in 14 of the 18 games played in 1948-49.

Ulsh, a fast-moving forward, ranked sixth in the State and 35th in the nation among the small-college scoring leaders by maintaining a 16 or better point average. He finished the season with 298 points.

However, the Tribe quintet could record only four triumphs at the expense of Lycoming, Allegheny, Susquehanna and Ursinus. In defeating the Crusaders, 52-43, the Indians succeeded in holding Evan Zlock, one of the nation's leading scorers, to 11 points after he had tallied 42 against them in a mid-season debacle.

Season's results:

Juniata 50	Elizabethtown 71
Juniata 51	Hartwick 67
Juniata 81	Lycoming 44
Juniata 54	Lebanon Valley 78
Juniata 51	Allegheny 49
Juniata 46	Grove City 49
Juniata 45	Albright 83
Juniata 51	Susquehanna 66
Juniata 43	Geneva 63
Juniata 61	Baltimore 73
Juniata 44	Quantico Marines 70
Juniata 35	St. Francis 98
Juniata 78	Lebanon Valley 88
Juniata 44	Baltimore 61
Juniata 52	Susquehanna 43
Juniata 51	Elizabethtown 72
Juniata 52	Dickinson 89
Juniata 70	Ursinus 60

New Instructor

Virginia C. Higgins, daughter of Coach Bob Higgins of Penn State, is now serving as instructor in physical education for women at the College. She succeeded Mrs. Betty Smaltz, wife of the Indians' football coach, Bill Smaltz. Miss Higgins began her duties at the opening of the second term.

New Fullback

Bill Jr., a seven-pound fullback prospect, was born to Coach Bill and Betty Smaltz on February 27, 1949, in the J. C. Blair Memorial Hospital. It was their first child.

PERSONALS

1884

The Alumni Office regrets the omission of T. C. Wieand (deceased) from the publication of the Juniata College Alumni Record. Mr. Wieand, the father of Mrs. John S. Noffsinger, was a student at Juniata in 1883-84. His wife, the former Ella M. Beashore, a student in 1881, also deceased, was properly listed.

1890

Dr. C. C. Ellis, CR

1830 Mifflin St., Huntingdon, Pa.

Word has been received of the death of Mrs. Della Bender, ex, formerly of 2 Sands Drive, Fairmount, W. Va. The information came from Mrs. Walter R. Tarbert.

1893

Mrs. Jessie M. Hooper, CR

1004 Mifflin St., Huntingdon, Pa.

Although forced to leave Juniata in the 1890's because of ill health, Mrs. Dorothy B. Crust, ex, "will always have a warm spot in my heart for the college." She writes that she was in some of M. G. Brumbaugh's classes and that she attended a Summer session after she began teaching. Her home is Philipsburg, Pa., but she visited last winter in LaGrange, Ill.

1894

The Alumni Office regrets an error in not having marked Mrs. Hubert Landis as deceased in the recently published Alumni Record.

1896

Dr. Clyde V. Mierley, CR

1528 Mifflin St., Huntingdon, Pa.

C. H. Swigart, ex, executive vice president of the Grange Trust Co., Huntingdon, has been appointed key banker for Huntingdon County in the American Bankers Association. He has held a similar post with the Pennsylvania Bankers Association for several years.

1897

The residence of D. C. Reber was incorrectly listed in the Alumni Record as Wabash, Indiana, rather than North Manchester. Dr. Reber's academic degrees include a Pd.M. in 1901 and a Ph.D. in 1902 from New York University.

1898

Milton R. Wright, CR

R.D. #2, Huntingdon, Pa.

Dr. Clair E. Robison, well-known Altoona physician, died at the Altoona Hospital January 27, 1949, after a brief illness. Dr. Robison was a graduate of the Jefferson Medical College, Philadelphia, and was a life-long member of the Altoona Hospital staff after serving a term as chief of the hospital medical staff.

1899

Mr. Lloyd H. Hinkle, CR

Bedford, Pa.

Jesse William Cogley, a former resident of Huntingdon, died at his home in Wilkesburg, Pa., on February 15, 1949. He is survived by his wife; one son, Prof. Jess W. Cogley, Jr. of Patton; four brothers and sisters, and three grandchildren. Mr. Cogley had served as secretary to former Congressman Clyde Kelley and also as register of Allegheny county.

1902

Mr. J. O. Bergantz, CR

612 Penna. Ave., Huntingdon, Pa.

William Hollinger, who claims he has jumped around the U.S.A. so much that it has been hard to keep in touch with him, is located in Sebring, Fla., where he advertises Fancy Leaf Caladium Bulbs at Hollinger's Gardens. He was erroneously listed as deceased in the recent Alumni Record.

Mr. and Mrs. J. Oscar Bergantz, 610 Pennsylvania Ave., Huntingdon, received community-wide congratulations on the birth of a son at the J. C. Blair Memorial Hospital on Tuesday, February 1, 1949. "J.O." is the postmaster in Huntingdon, Pa., and has been re-elected president of the Huntingdon Chamber of Commerce.

The Alumni Record listed Jerry F. Kimmel as deceased. A study of the files revealed that this report was made to the Alumni Office some time prior to 1938 and it is regrettable that the record during the years was not accurate and, in addition, the new alumni record carried the error. Mr. Kimmel is married and has one son, Galen, and he is successful in farming in his native Indiana County community of Shelocta.

New Look

A NEW typographical look has been added to the Alumni Bulletin with this issue. The type changes have been made to make your magazine more readable.

The body type, which was 10 point Excelsior, is now 10 point on 11 point Baskerville. This provides a broad letter space and, at the same time, permits more copy to be included in the publication. Personals, in the back of the magazine, have been set in 8 point Baskerville.

Headings have not been changed in this issue. They remain 18 point tempo medium.

1905

Mr. H. B. Speicher, CR

359 Race St., Somerset, Pa.

A heart attack suffered while walking on Fifth Ave., New York, proved fatal to L. Leslie Brenneman, 249 Storer Ave., New Rochelle, N. Y. on February 10, 1949. Mr. Brenneman, a former superintendent of schools at Oyster Bay, L. I., was head of the L. L. Brenneman Co., general insurance brokers at 100 East 54th St. Following graduation from Juniata, he did graduate study at Columbia University. Surviving are his widow, and two daughters, Mrs. J. Truxton Davis of Port Chester, N. Y. and Mrs. R. Worthington Tucker of New York.

1908

Mr. J. S. F. Ruthrauff, CR

420 S. 50th St., Philadelphia 43, Pa.

On Route 1, Baltimore Ave., in Lansdowne, Earl Brumbaugh operates the Pontiac Auto Sales and Service agency. Mr. Brumbaugh is a pioneer in the promotion of safety education in travel for the state of Pennsylvania. He has a married daughter, who is a University of Pennsylvania graduate, and a son, now a veteran student at Temple University who expects to join him later in business.

Mrs. Ethel Kyper Goodman, wife of David C. Goodman, passed away at her home in Mount Union November 29, 1948, following an extended illness. Surviving are her husband, with whom she was united in marriage in 1918; two sons, Robert and David, and a foster daughter, Mary Jane Kerr.

1910

Miss Lillian M. Evans, CR

Juniata College, Huntingdon, Pa.

According to word received by the alumni office from his wife, Clifford L. Beck passed away on September 5, 1948. He formerly lived at 2312 Tenth St., Altoona.

From "sunny California" comes a card written by E. L. Rupert: "I have been here since May 1946 and like it very much." Doing landscape and garden work. Correct address: 325 N. Walnut St., Baldwin Park, Calif.

1919

Mr. Raymond Michel, CR

97 Hudson Street, Hudson, Ohio

Raymond A. English's Huntingdon clothing store was burglarized in January, the loss in overcoats and dry cleaning merchandise amounting to more than \$750. Police couldn't find a clue.

A memorial service was held last October 26 in the Seminary Chapel at Crozer Theological Seminary for Prof. Maynard L. Cassady, who died October 24, 1948. Dr. Cassady, a professor of Applied Christianity and director of field work at the Seminary, died suddenly of a heart attack. He had been a member of the faculty there for over a year.

1920

Mr. J. Elmer Butts, CR

Martinsburg, Pa.

Dr. Frederick S. Foster, ex, of Everett has been elected head of the Department of Biology of Franklin and Marshall College, Lancaster. A member of the Juniata faculty in 1926 and 1927, Dr. Foster will advise pre-dental and pre-medical students at F. & M.

1925

*Hon. D. Raymond Sollenberger, CR
Williamsburg, Pa.*

Mrs. Bruce M. Fisher, Sr., Bedford, died as a result of an automobile accident on Dec. 28, 1948. Her son's fiancée was killed in the same crash. Mr. Fisher and son Bruce, Jr., were also in the car when it struck an icy patch on the highway. The men were hospitalized for body contusions and abrasions. Both women died enroute to the hospital. The accident occurred 20 miles south of McConnellsburg as Mr. Fisher was driving his son back to Virginia Polytechnic Institute where he is a student.

Dr. Quinn McNemar, professor of psychology, statistics, and education at Stanford University, is the author of a new book, "Psychological Statistics," published in January by John Wiley & Sons. The book covers statistical techniques used in psychological research.

Stanley G. Stroup, Bedford, was admitted to the Bedford County Bar at the January session of Argument Court. After receiving his A.B. at Juniata, Attorney Stroup attended Gettysburg College, Penn State and the Universities of Pennsylvania and Pittsburgh. He has been a journalist, teacher, president of a radio communications school during the war, and a legal assistant in the Pennsylvania Department of Justice.

1926

*Mr. Elvin C. Hess, CR
1601 Moore Street, Huntingdon, Pa.*

Attorney **I. Newton Taylor** of Huntingdon was elected president of the Huntingdon County Bar Association at its January meeting. This semester at Juniata Mr. Taylor is also teaching political science in place of Professor H. H. Nye, who is recuperating in Florida from a recent illness.

1927

*Mr. James I. Weimer, CR
Union National Bank Bldg.,
Huntingdon, Pa.*

New address for **Vernon Replogle**: Kimberton, Pa.

1928

*Mr. Joseph W. Howe, CR
452 Locust Ave., Burlington, N.J.*
Owner of "Seese's Drive In" in Albuquerque, N. M., is **Carmon D. Seese**. His letterhead boasts of home-made ice cream, frozen custard, and malt at his location, 5937 N. Fourth St.

1929

*Cyrus O. Caulton, CR
1310 W. Wynnewood Rd., Wynnewood, Pa.*

Dr. Marlyn W. Miller, former Altoona physician, was married to Miss Fannie Elizabeth Magee, an Altoona graduate of Hood College, on Dec. 28, 1948. The couple will reside at 4764 Chestnut St., Philadelphia, until next fall when they will establish a home in Altoona. Dr. Miller is presently doing X-ray radium study at the Graduate School of Medicine of the University of Pennsylvania.

The Rev. Richard S. McCarroll of Greenwood, R. I., has resigned as pastor of the Greenwood Community Presbyterian Church to accept appointment as assistant to the superintendent of the Church Extension Board of the Chicago Presbytery. His wife is the former **Mary Hooper** of Huntingdon.

"Worthy Recipient"

GEORGE N. FALKENSTEIN '82, the founder and first acting president of Elizabethtown College, was the recipient of the honorary degree of Doctor of Divinity at the 49th annual Bible Institute held in Lancaster. The degree was conferred by President A. C. Baugher of Elizabethtown College.

The citation for the honorary degree read in part: "In recognition of his pioneer work in education and in the pastoral work of the church, and in appreciation of his untiring services in founding Elizabethtown College, in recognition of his achievements in writing and preaching, he is indeed a most worthy recipient of the degree."

Following graduation from Juniata, the Rev. Mr. Falkenstein attended Mt. Morris College, University of Michigan and the University of Pennsylvania. From 1883 to 1900 he served as pastor of the German-town Church of the Brethren before becoming the president of Elizabethtown College. He held the latter post until 1902.

Now in his 90th year, the Rev. Mr. Falkenstein resides with his wife and a daughter, Mrs. Arthur Miller, at 445 Nevin Street, Lancaster.

So long as she is able, and maybe even at 90 with a wooden leg, **Polly Scott** will probably be studying somewhere. She has a leave of absence until May, 1950, for graduate study in New York City.

Richard Lamborn, **Marion Brumbaugh's** husband, has been presented the Charles A. Coffin award for accomplishments far beyond "the normal expectation" of duty at the Erie works of General Electric. Dick is section engineer of electrical design and development propositions section of the motor engineering division and the locomotive and car equipment division at Erie.

1930

*Dr. H. Harold Hartzler, CR
801 Prince Rd., Tuscon, Arizona*

After his return from a year of study at Scotland, the Rev. **Ivan Fetterman**, ex, accepted the pastorate of the Greentree Church of the Brethren in Oaks, Montgomery county, Pa. He was married to Miss Gertrude Hare of Indiana, Pa. in June 1947. For a short time prior to taking his new pastorate, he served as a teacher in social studies and supervisor of student teachers in Indiana High School.

The Rev. Galen R. Blough was re-elected president of the Somerset Ministerial As-

sociation at its December meeting in the First Christian Church, Somerset.

1931

Helen V. Barclay holds an interesting position as principal of Devereux tutoring schools at Devereux Ranch School, Goletz, Calif. This school is a branch of the Devereux schools near Philadelphia and was established in 1946.

Willis Ronk, formerly Dean of Ashland College, is now pastor of the First Brethren Church in Goshen, Ind.

1933

*Mrs. Gilbert D. McKlveen, CR
326 Eicher Ave., Greensburg, Pa.*

James Murphey is now employed at Paragon Press, Inc., 41 Washington Square, New York City.

Mrs. C. Jewett Henry, ex, and son spent several months in Florida during the past winter because of her son's ill health. Mr. Henry joined them in St. Petersburg for a time after the Christmas holidays.

1934

*Mr. Kenneth Morse, CR
614 W. Chicago St., Elgin, Ill.*

Mrs. Russell I. Smith, ex, (Corinne Kimmel) is teaching in high school in Fort Lauderdale, Fla. Her address is: 912 S. Andrews Ave., Fort Lauderdale, Fla.

Mr. and Mrs. Walter Settle are the proud parents of a baby girl, Sonna Fae Settle, born November 12, 1948.

John S. Rodgers was elected president of the Huntingdon Country Club for 1949 at the club's annual business meeting in January.

1935

*Mr. George Kurtz, CR
606 Washington St., Huntingdon, Pa.*

Melvin L. McCreary was named manager of the Williamsburg, Pa., plant of the West Virginia Pulp and Paper Co., in November, 1948, after 12 year of service with the company. He began his career with the company as a chemist in 1936 shortly after graduation from Juniata. His advancement was rapid and he became chief chemist in 1941 and assistant mill manager in 1947. The McCreary's have two children, Matilda Belle, 6, and Melvin Leroy, Jr., 4½. They live at 831 W. Third St., Williamsburg.

"My Juniata home economics training isn't pushed into the background," writes **Mrs. Richard Williams (Jeannette Newlin)** who owns and operates a drug store with her husband in Milford, Pa. She runs a doll hospital on the side to restore and repair antique dolls and costume them correctly. She has been in Milford for the past five years.

W. Clay Burkholder has been elected president of the Mifflin-Juniata Co-operative Concert Association at their January meeting in Lewistown. Mr. Burkholder is also assistant superintendent of Mifflin County Schools.

1936

*Mr. John Stauffer, CR
120 W. Cecil St., Springfield 32, Ohio*

Dr. John Cranor, ex, is now chief of surgery at Veteran's hospital, The Winter General Hospital, in Topeka, Kansas. In

addition, he serves as instructor on the medical staff of the School of Medicine at the University of Kansas.

Joseph S. Shelly has taken a new position as assistant professor of biology at McPherson College, McPherson, Kansas, following his resignation as teacher of agriculture in Shippensburg, Pa., high school. Prof. Shelly has been serving as president of the General Council of Men's Work of the Church of the Brethren of the United States.

1937

Mr. Paul F. Friend, CR

1700 Mifflin St., Huntingdon, Pa.

Dr. Charles L. Schucker, Huntingdon physician, has been elected president of the Huntingdon County Medical Society for 1949.

Miriam Bauer is now teaching at York Junior College of the York Collegiate Institute in York, Pa.

1938

Mr. A. Lynn Corcelius, CR

515 Fifth Street, Huntingdon, Pa.

"Marianne arrived on January 15, 1949" is the happy stork news from **Charles and Florence (Ritchey) Baker**. She weighed seven pounds, 13 ounces and had brown hair and blue eyes. Home for the Bakers is: 2332 "E" St., LaVerne, Calif.

Serving as director of Boys Court of Greater Chicago is **J. Aldene Ecker**. Mr. and Mrs. Ecker reside at 562 Gertrude St., Elgin, Ill.

1939

The Rev. Thomas D. Garner, CR
Bedford, Pa.

Dr. Kenneth Fickes will have the Reading Hospital as his address in the year 1949. His permanent address is 1433 Belmont St., N.W., Washington, D. C. He is married and has a child.

Russel K. Bohn made a contribution to the cultural life of the campus when the Altoona High School Symphony Orchestra presented a very interesting program to the college community in Oller Hall on Friday evening, January 7. Mr. Bohn and his entire orchestra of 85 were entertained by the college music department in the social rooms following the concert.

Damage exceeding \$1,000 occurred when the Oak Hill Baptist Church, of which the **Rev. H. N. Brownlee** is pastor, was struck by lightning last October, according to the Penn-Baptist bulletin. Reverend Brownlee said that "the lightning seemed literally to explode in several places at once."

1940

Mr. Charles C. Ellis, CR

810 Avondale Ave., Haddonfield, N.J.

Roy Wilson, supervising principal of the Wood Township, Huntingdon County, School District, has put into operation in his schools a progressive educational program that ranges from home economics to mining courses for adults. The main program of the junior and senior high schools in Robertsdale is generally a preparation for those pupils who wish to enter college.

Season's greetings came from **Mrs. Roger Weil (Martha "Bruby" Brubaker)** from the land of Bahia. After living in Sao Paulo, Brazil for a year and three months the Weils were transferred last May to their present location. It appears to be an ideal spot along the shore with a beautiful view

toward a lighthouse. "Bruby" reveals that she just finished teaching a semester of English at the Associacao Cultural which is set up by our State Department. The Weils hope to return for a visit during 1949. Address now: Mrs. Roger Weil, c/o Orquima, Caixa Postal 365 Salvador, Bahia, Brazil.

Edwin A. Jeffries of Mount Union was notified in December that he has passed the Pennsylvania State Bar examination, which he took last August. In March he completed a six-month clerkship in the Huntingdon law office of Attorney I. Newton Taylor, a stint which now qualifies him for admission to the bars of the courts of Pennsylvania. Ed was graduated from the University of Michigan Law School, Ann Arbor, Michigan, last June.

Bernard Snyder is now associated with Logan Brothers Furniture Store in Huntingdon, after moving here from Johnstown where he operated a personnel agency. Following his discharge from the army as a captain, Bernard was with the Veterans Administration prior to his business venture in Johnstown.

Melvin R. Bennett, director of music in the Roaring Spring schools, led the Yellow Jacket Band and the Roaring Spring high school mixed chorus in the annual mid-winter concert in January. Because of the music chosen and the hard work which both musical organizations endured to prepare for the concert, this year's event was "the best ever," according to Director Bennett.

A Chemist On The Go

SO you sometimes think you are "on the jump!"

Now Dean I. Walter '40 of 3634 Horner Place S.E., Washington 20, D.C. will make you think twice about your busy days. During the week, he serves as chemist in charge of special methods in the analytical chemistry section of the metallurgy division in the Naval Research Laboratory at Washington, D.C.

And each weekend, since 1945, he has commuted to Central Pennsylvania where he serves as pastor of the Vicksburg Brethren Church near Hollidaysburg.

Chemist Walter reveals that in Washington, "I am on high vacuum work . . . so even though I am very busy, I am not working under pressure."

And Pastor Walter says that his preaching began "as a temporary duty while the church was looking for a regular pastor." In addition, he conducts a monthly broadcast and a class in public speaking on the side.

1941

Mrs. Helen Harper, CR

610 Vine Street, Coraopolis, Pa.

Funeral services were held for **Lieut. William E. Foster**, killed in China in 1944, after his body was returned to Huntingdon for burial in the Riverview cemetery in January. After graduation at Juniata in 1941, William went to N.Y.U. for graduate study, but enlisted in the air force in 1942.

Continuing Christian work with high school students in and around Chicago is the **Rev. George Sheffer**. His address is Winfield, Ill.

Change of address for **Kitty Beacham**: Dr. '41BS and **Mrs. Harry H. Beacham**, 1016 South Avenue, Plainfield, N. J.

Helen Metz became Mrs. Robert Rumbaugh in a Thanksgiving eve ceremony in Belleville. Helen, after graduating in home economics, taught in the high schools at Thompsettown and Lewistown, and last September she received an assistantship at Penn State. Bob, formerly a student at Juniata as well as Penn State, is employed in the inventory and production control office of the Hartzler and Zook Co. in Belleville. The newlyweds are now living on Trella Street, Belleville.

1942

The Rev. Herbert Landes, CR

1 Bay Ave., Garage Apt., Larchmont, N.Y.

Mr. and Mrs. Eugene Morningstar and family visited their parents in Huntingdon and Marklesburg at Christmas time. Mrs. Morningstar spent a month with her folks while her husband was working in Stamps, Texas. Their home is in Columbus, Ohio.

"Now the Fore-Bairs" reveals Bob, '40BS, and **Gracie Bair** who had cause for joy on January 18, 1949, with the arrival of Philip Merle. He tipped the scales at 6:14.

"Still in the Navy presently assigned to the NROTC at the University of Missouri," writes **Lt. (jg.) F. E. Gahagen**. His official status is assistant professor of Naval Science and he is teaching navigation. The Gahagens are living near the campus at 728 Gentry Place, Columbia, Mo.

Dr. and Mrs. H. William Stewart of Alexandria became the proud parents of a daughter November 28, 1948, at the J. C. Blair Memorial Hospital, Huntingdon. This is the second child for the Stewarts, the first being a son, William Dennis.

Dr. William H. Jones has joined the staff of the research and development division of Merck & Co., Inc., manufacturing chemists in Rahway, N. J. During 1947 and 1948 he was a DuPont Fellow at the University of Illinois. He is a member of the American Chemical Society, Sigma Xi, Phi Lambda Upsilon and Alpha Chi Sigma.

1943

Miss Marjorie Findley, CR

5225 E. 39th St., Kansas City 3, Mo.

Mrs. Mary L. (Livengood) Hobar, a member of the editorial staff of the Pittsburgh Post-Gazette, won first prize in the 11th annual aviation writing contest of Trans World Airlines. She received a cash prize of \$250 and a four-day vacation in Arizona and Nevada for selective articles telling of her experiences in taking flight training at Johnstown Municipal Airport. She was then a news writer for the Johnstown Tribune.

Reunion in Florida

JUNIATA alumni have been seeing each other in Florida for many years, particularly in the Sebring area. This season, probably for the first time, an alumni reunion dinner was held. The Sebring Juniata extended invitations to all alumni in Florida for a dinner get-together at King's Jacaranda Hotel in Avon Park on January 22. Thirty-seven persons attended.

Details and arrangements for the dinner were made by Mr. and Mrs. S. M. Gehrett. Other Sebring residents and winter tourists who attended included: Mr. and Mrs. (Cora

Brumbaugh) A. P. Silverthorn, Mr. J. B. Boring, Mr. and Mrs. William Hollinger, Mr. and Mrs. (Mary Boring) S. M. Hess, Mr. and Mrs. (Hannah Ritchey) H. H. Funk, Rev. and Mrs. (Mary Wertz) S. S. Blough, Mr. and Mrs. Isaac Ritchey, Mr. and Mrs. Howard Simmons, Mr. and Mrs. (Juniata Heikes) William Cooper, and Dr. Norman J. Brumbaugh.

Alumni from other parts of Florida included: Mr. and Mrs. (Mae Oller Wertz) Daniel Loizeaux, Fort Lauderdale; Mr. and Mrs. (Ruth Gotwals) J. Kennard Johnson, Miami; Mr. and Mrs. S. L. Brumbaugh, Avon Park; Mr. and Mrs. Ellis Van Horn, Avon Park.

Huntingdon visitors included: Mr. and Mrs. (Phyllis Wald) C. Jewett Henry, Mrs. R. Curran Henry, Mrs. John R. Wald, Mr. and Mrs. (Maud Simpson) C. H. Leshner, and Harold B. Brumbaugh.

This dinner occasion turned out to be so enjoyable that it was hoped that the Sebring Juniata would make it possible for a similar meeting again in the winter of 1950.

Kodachrome slides of pictures taken by Dr. Norman J. Brumbaugh were featured as the major attraction of the evening. These pictures included many views from Pennsylvania and the college campus.

Dr. Vaun Newill and **William Wagner** '44AB now reside at 3132 N. Third St., Harrisburg. Vaun is with a local hospital and Bill is the minister of music at the Pine Street Presbyterian Church.

Friday, March 4, 1949, was the wedding date for **Dorothy Belle Grosz** and **Robert L. Parsons**. They were married in an evening ceremony at the Plum Creek Presbyterian Church, New Texas, Pa.

Betty M. Snider, Waynesboro, became the bride of **Dr. Seibert L. Berlin** of Chambersburg at a ceremony at the bride's home on October 16, 1948. Betty and her husband were graduated in the same class at Waynesboro high school in 1939. Dr. Berlin was graduated at the University of Pennsylvania School of Veterinary Medicine in 1945 and now has his office at Chambersburg Route 2. The couple honeymooned their way through the New England States before taking up residence with the bride's parents at 125 W. Second St., Waynesboro.

Stork note: **Pamela Maye McFeaters**, a five pound, four ounce bundle, was born to Mr. and Mrs. (Pauline Simchock) **Melvin J. McFeaters** on January 8, 1949.

Mr. and Mrs. (Esther McConahy) **J. B. Hershey** would like to introduce to the Juniata alumni their two sons, **John Michael**, born January 12, 1949, and his big brother, **Jacob Edward**, who said "howdy-do" on May 24, 1947.

Skipping around the southwest is **Margorie R. Findley** who revealed that she had been assigned to "take over" in Dallas, Texas, for five weeks in late February and March for Phoenix Mutual. Then she was to return to Kansas City where her address is 5225 E. 39th St., Kansas City 3, Mo.

1944

Mrs. Ruth Marshall, CR
Imperial, Pa.

Funeral services for **Sgt. Arthur Paul Rummel**, ex, who was killed in action April 25, 1945, in Germany, were held in Johnstown Dec. 17, 1948, at the Pleasant Hill Church of the Brethren. Interment was made in the Benshoff Hill Cemetery. Sgt. Rummel was a student at Juniata until called for service in the army in 1942.

The Rev. and Mrs. **William L. Meyer**, Presbyterian missionaries in China for the

past two years, returned to America in January on orders from the American embassy to all missionaries with children. In Huntingdon they stopped to visit Prof. and Mrs. S. E. Dubbel, and Mr. Meyer discussed the Chinese political situation at a meeting of the International Relations Club. At his mission station, besides doing work of the gospel ministry, Mr. Meyer taught in the schools and did the work of a general administrator, especially for UNRRA.

"It's a boy, Craig Alan," for **Edna and Hank Eisenhart** . . . born November 7, 1948. . . . weighing in at seven pounds, nine ounces.

1945

Mrs. Gerald Snider, CR

3732 S.E. Grant Court, Portland 15, Ore.

The Rev. **Raymond R. Day** of New York City, formerly of Huntingdon, was among a group of distinguished ministers, rabbis and priests who led seminary groups at a University Religious Conference at Yale University in February. Mr. Day was the youngest of the leaders and the only Negro who took part in the three-day conference. He is now the associate pastor at the Presbyterian Church of the Master in New York City.

Alfred E. Behrer has finished his work at Princeton and is now doing a year of specialized study at the seminary of the University of Dubuque, Dubuque, Iowa. You can address him at 306 Van Vliet Hall.

Dinner Dates

Although many of the Alumni Association area dinners have been held, there may be one coming up on the following list that you would like to attend:

April 21 Bedford
April 22 Somerset
April 22 Central Pennsylvania
May, 6 Cambria

Leona Blair McFadden was united in marriage with **Charles Burrell Hollaway** of Philadelphia in a double ring ceremony in the Evangelical Lutheran Church of Greencastle last August. After graduating in home economics, Leona worked for the Cafeteria Division of Government Services, Inc., Washington, D. C. The groom is an economics student at Gettysburg College. After a honeymoon trip to the Poconos they made their home at 102 E. Middle St., Gettysburg.

Darvis Savadow, ex, of Saxton took **Rose Rothstein** of Baltimore for his bride in a double wedding January 30, 1949 in Baltimore. Darvis attended Rider College, Trenton, N. J. as well as Juniata, and is now associated with his father in the clothing business in Saxton, where the newlyweds are residing. Mrs. Savadow had been employed by a Baltimore law firm. The other bride in the double ceremony was Mrs. Savadow's sister.

1946

Miss Anna Catherine Maloy, CR
Box 177, R.D. 3, Altoona, Pa.

The body of **Pfc. Luther W. Davis**, ex, who was killed in action in Aschen, Germany, Nov. 16, 1944, was returned to Huntingdon in January for burial at Manns Choice. Luther was a student at Juniata when called into the army in 1943.

Geraldine M. Baer has been appointed home economist for the middle Atlantic District of Westinghouse Electric Corp. In her new position, she will cooperate with electric utility home service personnel and university and college home economics departments in presenting planned programs on the care and use of her company's home appliances. Miss Baer, of Hummelstown, Pa., received a bachelor of science degree from Juniata. Before joining Westinghouse, she was associated with Public Service and Gas Co., Camden, N. J., as a home economics adviser.

1947

Mrs. Betty White Yoder

820 W. College Ave., State College, Pa.

June 19, 1948, was the happy day for **Jean Saulsbury** and **Richard Neikirk** when they exchanged their marriage vows at North Baptist Church in Wilmington, Del. Helping to see that the knot was tied se-

curely were Grace Landis Bair '47, as matron of honor; Janet Neikirk '52, a bridesmaid; Ed. Neikirk '51, best man; Arent Heil, '47ex, an usher, and Ann Vandersloot Birch '41, vocalist. Jean and Dick are making their home at 31 Monroe St., in Wilmington. Jean continues to teach at Warner Junior High School and Dick is employed in the accounting department of E. I. DuPont de Nemours Co. and is doing graduate work in accounting at the University of Delaware.

Pauline Hoke is now the home economics extension representative in Forrest county for the Pennsylvania State College. Her address is Gionesta, Pa.

A daughter arrived for Maureen and **Fred Wells** on November 25, 1948 at Allegheny General Hospital, Pittsburgh. Teresa Ruth weighed seven pounds, 15 ounces.

William C. Dovey is now in his second year of medical training at Temple University. His fraternity house address is 1421 Ontario St., Philadelphia 40, Pa.

Joan Rinehart, Waynesboro, was married in August to Edward J. Olson of Evergreen Park, Ill. Joan formerly was supervisor of the restaurant division of Marshall Field & Co., Chicago. Mr. Olson, a graduate of the University of St. Paul, Chicago, is now associated with his father in the restaurant business. Since returning from their wedding trip to Saugatuck, Michigan, the newlyweds have been living at 9700 S. Millard Ave., Evergreen.

1948

Miss Betty Kiracofe, CR
614 Walnut St., Hollidaysburg, Pa.

Mr. and Mrs. 40BS Carl V. Moore and son, Carl, Jr., spent Christmas at their Taylor Highlands home. Carl is a graduate at Boston University.

Prof. Nye On Leave

A leave of absence was granted Prof. H. H. Nye, assistant professor of history, to enable him to recover from illness. The leave was recommended by medical authorities following a physical examination which revealed that Professor Nye had been suffering hemorrhages of the eyes.

New Students

The College accepted 37 new students for its spring term which opened January 31, according to Dean of Students J. Melvin Rhodes. No increase in overall enrollment resulted, however, because of withdrawals and normal drops. Veterans continued to dominate the new admissions with 16 of the 21 men listing military service.

Varsity Quartet

Juniata's Varsity Quartet, which appears with the choir and also at alumni and civic meetings, is com-

Donald B. English, 1800 Washington St., Huntingdon, has received a commission in the army ordnance reserve. He was selected from a group of applicants interviewed and processed at Aberdeen Proving Grounds, Md. He is employed in his father's clothing store in Huntingdon.

Breaking in as a case worker in the state of California's welfare program is **Richard Christie** who claims he "got drowned out of the mine" which he had been working. The dirt roads turned into bogs . . . the shaft had 70 feet of water in it . . . equipment had to be pulled out . . . it is uncertain if they will reopen in the spring. Now, Dick likes his new job but gripes about sunny California which has had "more snow here so far this year than we have at J.C. in two." Actually he is located in the Low Sierras. Address: Washington Star Route, Nevada City, Calif.

A one-man show on the road is **William Fegan**. He is now doing dramatic sketches and readings for clubs, churches and other groups in a three-county area around Lancaster. If you want to contact him: 28 S. Prince St., Lancaster, Pa.

A social highlight in Huntingdon in February was the wedding of **Patricia Rodli, ex**, of Giparona, R.D. 1, Huntingdon, to Robert H. Brown, '42ex, of Alexandria, on February 12, 1949. Both Mr. and Mrs. Brown attended Juniata College, but both were graduated from Penn State. He received a bachelor of science degree in mechanical engineering and is now employed by the McLanahan and Stone Corp at Hollidaysburg. They will live at 410 Wayne St., Hollidaysburg.

Listed among the teaching assistants in the Carnegie Day Program at Carnegie Institute of Technology is **James R. Crain**.

posed of Glenn C. Zug, Lincoln, Pa., first tenor; William E. Yetter, Altoona, second tenor; Gerald F. Hartzel, Souderton, baritone; and A. Cassel Coffman, LaVerne, Calif., bass. Coffman is a senior and president of the choir; the other three are underclassmen.

Original Composition

An original composition by Franklin Perkins, Delanco, N.J., featured his senior organ recital in Oller Hall on February 23. Perkins has written "Suite for Organ" in three parts which he has also played on the John Wanamaker organ in Philadelphia.

Assisting on Faculty

Two Huntingdon men took over two of three courses taught by Prof. H. H. Nye during his absence in the spring semester. They are the Rev. David J. Heim, pastor of the First Baptist Church, who is teaching church history, and Attorney I. New-

ton Taylor, who is teaching political science. Prof. Kenneth W. Crosby, a member of the faculty, is instructing the third course in Latin American History.

Rhoda McCord, Philipsburg, is teaching science at Orbisonia high school.

Martha Jane Ellwein, Shippensburg, became the bride of Harold David Henry, also of Shippensburg, in the Presbyterian Church of that city in a double ring ceremony in December. The couple are living at 9 North Queen St. in Shippensburg, where Mr. Henry is in his senior year at Shippensburg State Teachers College.

1949

Miss Betty Ruth Hess, CR
1601 Moore St., Huntingdon, Pa.

The Rev. and Mrs. **Amos D. Meyers** were hosts to the members of the Mill Creek Methodist Women's Society of Christian Service at their annual Christmas dinner and party in Mapleton during the holidays. The climax of the affair was the presentation of a surprise gift—an all wool blanket—to the Meyers family.

Associate

Announcement has been received of the marriage of **Eleanor May Chapin** to Capt. Thomas P. Wilson, U. S. Navy, on Saturday, January 22, 1949. The wedding took place in the First Presbyterian Church in Norfolk, Va. At home address: 1056 Hanover Ave.

A recital in New York's Carnegie Hall—one of the main ambitions of every musician—was presented by **Dorothy Parrish** on Sunday afternoon, November 28, 1948. Mrs. Domonkos, a pianist, gave an all-Bartok program which prompted the New York music critics to sit up and make note in various review columns. Numerous Juniataans attended the recital and reported that it was well-received.

Student Senate Changes

Two personnel changes took place in Student Senate for the second term. Albert T. Hemp, Jr., of Scottsdale, Pa., was elected to fill out the term of James A. Gittings as vice-president, and Mary C. Bemus of Waynesboro, Pa., replaced Frances Mitchell while she was student teaching.

Commencement Speaker

Dr. Norbert Wiener, professor of mathematics at the Massachusetts Institute of Technology — a man who has made important contributions to the science of mathematics that have brought him international recognition — will be the speaker at Commencement on June 6.

Only \$3.50 per Day

Make Arrangements Now!

To Spend A WEEK YOU'LL NEVER FORGET

Meeting Old Friends, Exploring Old Haunts

Sounds great, doesn't it! Imagine returning for a full week to your Alma Mater . . . the beautiful Juniata Campus — and seeing the familiar landmarks and faces once again: Round Top, Flag-Pole Hill, Warrior Ridge, Tussey Mountain, The Forge, Greenwood Furnace, Whipple's Dam, and the rest — roaming over the campus — and best of all, showing the place off to wife, husband, or kids (for the 1st or 50th time), breathing that invigorating mountain air. . .

We're going to make it possible this summer during the week of AUGUST 6-14 — so mark it on your calendar, now!

No matter how long you've been absent — five years or fifty, you'll still get a thrill out of re-visiting old hangouts, roaming the campus and

town, and enjoying ever-beautiful Pennsylvania landscape.

We guarantee you'll have the time of your life meeting old friends and new, among alumni and faculty; just relaxing in the mountain atmosphere; and enjoying a well-balanced, specially-planned recreational program which will include: sports, concerts, lectures, tours, and picnics.

You'll call your JUNIATA VACATION WEEK the best, and still the *most economical* you have ever spent . . . and you'll return to home or office with renewed physical, spiritual, and moral vigor — in fact, more PEP than you've had in a long time!

If you're interested, please write the Alumni Office for more information.

JUNIATA VACATION WEEK
Alumni Office
Juniata College
Huntingdon, Penna.

Dear Sirs:
